“ Hi! I was just surfen' rnuad for some facts about dog dancing in Austria (where I live), when I finally saw your shows from the crufts on youtube. My first thought: Amazing! My second thought: How to teach a dog something like this! I have a pug, her name is Mia and she actually just does something like twist, jumping over my arms, legs, into my arms, stuff like that. I think that a pug may cannot do some of these special tricks I saw now, wich are easier vor bigger dogs. In just a few minutes watching the videos and reading this website I became a great fan of you two! I really enjoyed watching your performance! Best wishes PS: I hope my English was okay (;

“ R.I.P my dear friend Daisy...  
I will never forget the times we spend in and out of work and the bond we had! You became my best friend, but You touched me so deep and became a part of my life....we laughed together and we cried together and we supported each other....I will always have you in my heart and I will feel Your presence. Together with my Mitch and Your loved ones, You will be Our Angel and will be smiling down on Us.  
I LOVE YOU....
