“ That’s fine for the House and Senate but for president, there is no way any conservative should vote for either Democrat that will be stuffed down our throats next year. The House is the grand prize. If we had someone like Jim Jordan as Speaker and more than the current 3 reliable conservative senators, the president wouldn’t matter.##imported-begin##JamPonchik##imported-end##

“ Maybe the private blog is the way to go, though I suspect you'd need some time to get revved up for that. The pod/video angle sounds great, but that raises a lot of other questions. And it loses the immediacy that you enjoyed so long, which is one of the most unfortunate losses in all this.##imported-begin##SardorChol##imported-end##

“ I’m not sure what you have against “The Five”. I mean, four of the five panel members are on the right. The only creep is Bob Beckel. I admit, his creepiness makes the show a bit harder to handle. But Greg Gutfeld makes up for it! I LOVE him!! Beckel will probably have a stroke or a heart attack on the show one day and they can just shove him off the stage and continue on.##imported-begin##MuzapDoirachi##imported-end##

“ I think that you'd probably do well in a consulting role where you are helping companies who want to improve in the area of creating passionate users (products and websites). Your knowledge of the field is shown well by your blogging, and maybe getting out in front of people will give you more of a reason to stay passionate about this subject area (if not the blog itself).##imported-begin##Abduvali##imported-end##

Todavia nos recordamos cuando estabamos mas muchachos, vivianos todos juntos en la Washington/Jefferson y como nos divertimos jugando y pasandola bien. Tu y tu familia nos hicieron parte de tu familia y quedaron como amigos siempre. Tony siempre estara en nuestras mentes y corazones.
