“ Mrs Matulis was a wonderful woman who scooped me up and made me her shadow on the last few years before retirement at the YMCA. She saw something dedicated and determined in me. She taught me how to type, make flyers for programs and must of all she showed me how to love my job and make it an extension of my self, like she did. I am now a secretary for a church in the churches youth department. She was a true blessing in my eyes... May she soar with the angels.##imported-begin##Kristine Casella Emond##imported-end##

“ It is so sad with the passing of Anne. She was the New Britain "Grandmother" to our two children while I worked with her at the NB Y for 7 years. She, and her husband John, had quite an effect on our son. What a great lady with such an infectious smile!##imported-begin##Fred Chase##imported-end##

“ Our thoughts and prayers are with you and your family. We have so many fond memories of her. She was so kind and always greeted us with a smile and interested in our lives. When John and I got married over 40 years ago she welcomed me like she knew me forever. She was so generous too.##imported-begin##Dianna and John Orvis##imported-end##
