“ I am an outreach worker at the Friendship Center on Arch St.in New Britain and have been in contact with Tony over the past three years. I have not seen him for about a month, but have been looking for him. I was extremely sad to hear about his death.I was hoping to attend the service last night to meet especially Michelle and Patricia. I did have a discussion with him on several occasions in the past couple years about his family. I was hoping he would contact you..He did stay at the shelter this past year from about December to April. I liked Tony a lot. He was always polite and considerate. If either of you wishes to contact me or others of us at The Friendship who knew him and tried to help him please feel free to contact me through email(jet50g@aol.com) or phone: 860-225-0211

My deepest sympathies go to all of you. I shall miss Tony.
