“ *Diane, I am sorry for your loss. Although only knowing Chris for a few short years, I enjoyed the time that I spent with him. We both shared the same interests. He liked old cars, New York, and I know how much he enjoyed block island. I will treasure the picture that he painted of my motorcyle. He was very talented. He will surely be missed, but not forgotten.##imported-begin##Bill Michalak##imported-end##*
