“ *Everytime I would see Connie she always asked me "how is your daughter". She never once did not ask about her. She was a very beautiful person. I am sad to hear of her passing...##imported-begin##Shelley Blake##imported-end##*

“ *I met Cookie in August 2012 because she was a constant presence in the nursing home room shared by her mother and my mother. She had been so kind and thoughtful to my mother, a virtual stranger, getting her coffee, a slice of pizza, the newspaper, etc. It was very comforting to know that Cookie was there to lend a hand and to chat. Even though I only knew her for about a week, she made quite an impression on me. Thank you, Cookie, from my whole family, for your kindness and willingness to help. You are already missed. My sincere condolences to Connie at this sad, sad time.##imported-begin##Mary Ann Machan (Carenza)##imported-end##*

“ *I knew Connie for many years as we both worked at VA Newington. Connie was always so warm, always said hello with a kind smile. She knew everyone by name, and was warm and respectful. I always looked forward to seeing her either at the cafeteria many years ago, or in the halls in more recent years. She was a constant warmth in our facility, and I am so sorry to hear of her passing. My condolences to her family##imported-begin##Judith Cooney##imported-end##*

“ Connie was a very kind and warm person, I have known her for over 18yrs and not once did she not have a smile on her face or something nice to say about you. We missed her when she retired, and now she will be with us watching over us and waiting for us in Heaven. Connie was one of a kind and had the heart of a lion. She will be dearly missed by everyone at her VA Home.##imported-begin##Yvonne Lovely##imported-end##
