“ I've known Athena and Dariusz for the past 13 years and I can honestly say that Dariusz has consistently been one of my favorite husbands of any of my friends. He was always so friendly, kind, generous, and welcoming whenever I was in their home. Dariusz's parents raised an amazing son and Athena you and he have such wonderful children that they are truly a joy to be around. I'm so sorry that you all are experiencing this pain and loss. I'm not at all surprised by all of the lives Dariusz had such a positive impact on.##imported-begin##Kristin Foxx##imported-end##

“ Darius was our lab safety officer for several years and I have come to respect his dedication and work ethics immensely. I, like all of us in our lab shall miss him very very much. Darius was polite , helpful and bright. We had come to depend on his pre-inspections and advise to keep the lab compliant in every way. It is with a heavy heart that I read the unfortunate news. My prayers are with the family and the children now, and always.##imported-begin##Sukanya Narasimhan##imported-end##

“ I met Dariusz in 1994, shortly after the birth of Ashley, and I remember how he spoke about her with such love and amazement. He had her baby pictures taped to the dorm wall beside his bed. He loved both of his children so much. He would puff up, so proud, as he spoke about Ashley and Nick and there was such love in his eyes when he spoke about Athena. There are people who touch your life and change it, and make it better, and make you want to be better for them. Dariusz was such a person. It was an honor to have known him. He is deeply missed.###imported-begin##Kerrie Collins###imported-end##

“ I had the pleasure of meeting Dariusz at Yale's Payne Whitney Gymnasium, through a mutual friend, a few months ago. Dariusz was a gentle giant on the basketball courts. He never used his massive frame to overpower his opponents and if by chance he did run into you he was always apologetic. He never got upset and always had a smile. With all the calamity in this world, it was reassuring to see someone full of joy. The last time I saw Dariusz was the Thursday before his untimely demise. I was suppose to be somewhere else that day but my plans changed at the last minute so I went to play basketball with Dariusz. I am thankful that I was able to be blessed with his presence one last time.
