“ We would like to extend our deepest sympathy for your loss of your mother, grandmother and great-grandmother. Helen was our mother's roommate at Ingraham Manor for close to two years. It was always a pleasure to see her when we visisted our mom. She was a great help to her during that time. She would alert the nursing staff if she saw our mom was having a problem. We will miss seeing her.

*May the memories of the years you had make this difficult time a little less painfull.*
