“ you and your unconditional love for your friends like Chandi are amazing. I am really amazed at how wonderful you are she is when you are together. It is a pity that you cannot come to Christ Church and spread your inspiration around here as our non-human friends have been completely unsettled by our continuing earthquakes. If I make it to England one day to see you and Chandi perform I will be happy to meet you and shake your hand. Watching your videos are so inspiring and bring happiness to our bleak days##imported-begin##Valerio##imported-end##
