“ To my Titi Joy : I still can't believe this is all real. To know that I won't see you again all I can do now is look at pictures & remember the memories we shared. I look back to all the memories we've shared from the wrestling fights to the meals we shared. I remember it just like it was the other day when the family made fun of you for eating crab poop from the crabs we had for dinner. Haha. To my first day of school, the halloweens, the Christmases, to just the family gathering. All I can do now is hope for justice. I know now you will look down and protect me and guide me when I'm at my lowest points in life. I love you##imported-begin##Miguel Ortiz##imported-end##

“ Titi Joy I don't remember much about you because I was so young. But the things I do remember about you will never be forgotten. You honestly were the best. I miss the little times we had and wish you were still with us. But I atleast know you are rocking the heavens. “ To my baby sister "Joy" I'm so sad that you were taken from us so early in life. I will miss you dearly cause I wanted you to see my kids grow and I know you would be so proud of them. Michael is 19 yrs. old and he has graduated and is studying Criminal Justice. Devin is 16 yrs.old and has very good grades and will also graduate and make you proud. Then there's Peanut you didn't get to meet him but you would of had a blast with him cause he's very playful and smart. I will miss you coming over and bothering me for my spanish food that you enjoyed so much. My baby sister I feel so empty without you all these yrs. to know that your gone and went to Heaven I guess will take some time of healing but I will make sure Mommy is good and will never forget she was great to all of her 6 kids. I Love You Sis and may you rest in peace in God's arms until we see each other again xoxo Love always Sandra & Mommy and Family##imported-begin##Sandra Martinez##imported-end##
