“ Remembering Kay -- What a wonderful person! I met Kay back in 1972 in Hartford on the bus to New Britain. I shared my seat with her every day. We shared many things with each other. Then come to find out my mothers friend Virginia was Kay's best friend! What a small world. I will always have fond memories of Kay and smile each time I think of her, as I always do.

My best to the family.##imported-begin##Marie A.
