“ Dear Tina and Chandi, What an inspiration you two are for us! We just sttraed to train Freestyle and we simply LOVE it! Roy, my pure bred Border Collie, is already 9.5 years old (he is also a rescue dog!) but he enjoys every new move he learns. Ofcourse I wont push him to do things that he is not able to do physically, but there are still a lot of fun things to do! We just had a weeks workshop by Brigitte van Gestel here in Holland and that was really cool!! really enjoy the videos of you and Chandi, they are good learningsmaterial for me. What pleases me the most though is that you both seem to have so much FUN together, you are simply in love with eachother . it shows! Thank you for all your routines, and the inspiration!!frinedly greetings from Ramona and Roy from Holland###imported-begin###Elvis###imported-end###

“ I met Marco in 1983 at Lydall where I was interning for a summer during my MBA program at UConn. He was one of the most positive and supportive persons I knew then or have met since, devoting time even to a simple intern. Although I have not seen him since then, I have sent him and Wanda a holiday card ever since, and faithfully received one as well. Although a small connection, it maintained a link to a wonderful person and every time I sent him my holiday wishes I remembered fondly the few brief months we worked together. My thoughts are with you. Tony Caxide###imported-begin###Antonio Caxide###imported-end###

“ First my deepest sympathies to the Savona family. Marco touched so many lives. As with many, I initially was introduced to Marco professionally through Abbott Ball. But our relationship changed over the years and I considered Marco a true friend. I will miss his compassion as well as his infectious laugh. When I hear thunder, I will think of Marco...probably laughing at a good joke.###imported-begin##Jim Millot###imported-end##
